

### Competence Profile of EU project managers!

EU project managers from Poland, Belgium, Slovenia, Italy and Portugal are being invited to participate in the project by answering to a self-evaluation questionnaire regarding their competences as project managers. The results of this survey will allow ComPM partners to define the Competence Profile of EU project managers.

### 2nd Partners meeting in Bruges!

The 2nd project meeting was held in Bruges on the 26-27 of April 2012 and hosted by Syntra West vzw. During the meeting partners worked on the initial definition of the competence profile of the EU project managers by discussion of the typical competencies of these managers and by formulating statements for each competence. Also the basis for the ComPM tool were debated and agreed on.

### Project website is online!

The official page of the ComPM project is already online. You can visit it at: [www.compm-project.eu](http://www.compm-project.eu) and access to all relevant information about the project.

### Kick off meeting in Lublin!

ComPM partners meet in Lublin, Poland, on the 26th January 2012 for the kick-off meeting of the project. Hosted by OIC Poland Foundation, the project coordinator, this meeting focused on the introduction to all partners of the previous projects (MASTRA and EPMT), on which ComPM is based on, and on the fine-tuning of responsibilities for the following months.
